**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider because competition forces companies to have better service for the customer. Competition keeps prices fair and service good. If there is no competition, then the one company is free to be horrible and expensive to their users. In this country, it is unfair to have 0 competition for a company when it is not a public utility.
